TICKETS

ROBBIE COWLING

I am delighted to present the 2023/24 season's ticketing brochure.

We understand that expenses are on the rise, and fans have less disposable income. Nonetheless, we have done our best to apply sensible prices for the season while still planning a competitive budget for the first team. To reward fans who can buy before July 1st, we have an Early Bird price that will allow them to purchase next season's season ticket at the current price.

I would like to express my gratitude to the Colchester United fans for their support over the past few seasons, despite the difficulty in earning points. Unfortunately, I cannot guarantee that the upcoming season will be any less challenging, but rest assured, we are doing everything we can to make the 2023/24 campaign more productive. We have every reason to believe that we will be battling at the top of the league rather than the bottom - and selling more season tickets, especially early on, will assist us in achieving that goal.

The new ticket system we launched last season has proven to be highly effective, and no major changes are planned. However, we will continue to enhance it with a few minor tweaks, so please keep providing us with your feedback. We are also working on introducing season tickets for the car park, and an announcement will be made when it becomes available. Additionally, we plan to introduce some online options that will benefit those who purchase matchday tickets but are then unable to attend.

Thank you for your unwavering support.

**Up the U's,
Robbie Cowling**

INTRODUCTION

The new 2023/24 season brings much promise and optimism after the U's completed the final weeks of the 2022/23 campaign in good form under new Head Coach Ben Garner.

Now is the time to secure your favourite seat for the entire season, and cheer the lads onto what we hope will be the success that we all crave. Buy your Season Ticket before July 1st, and you will be getting the very best value possible, with adults able to attend every League Two encounter here at the JobServe Community Stadium for the equivalent of less than £15 a game.

Monthly payments are an option again this season, as are the popular Match Credits, for those who want to save against our still competitive Match Ticket prices. We hope we've covered everything in this Ticket Brochure, but feel free to get in touch with the Ticket Office, (ticketing@colchesterunited.net or 01206 755161), with any questions.

SEASON TICKET BENEFITS

Ben Garner and the U's will be looking to build on the positive finish to last season, and compete at the top end of the League Two table in 2023/24.

They can only do that with your support throughout the season, and we want you all to be United with us on the journey. Whilst the cost of living is going up, getting a season ticket will save you money, and we've also brought back the option of paying in monthly instalments.

SEASON TICKETS

Purchasing a Season Ticket gives you the ability to select your individual seat in the JobServe Community Stadium, giving you an uninterrupted view of the action. And as always, buying a Season Ticket means that you are getting the cheapest prices for watching the U's home matches.

MONTHLY PAYMENTS

Not only is the Season Ticket the cheapest way of supporting the U's across the campaign, there is now the option of paying monthly. This option will remain open to supporters until there is twelve home league matches remaining, so even if you can't get to many matches in the first half of season, you can still jump on board the monthly payment scheme later on.

EARLY BIRD PRICES

Purchase your Season Ticket **before the beginning of July** to secure your Early Bird discount.

MATCH CREDITS

There are a number of ways to secure a place at a Colchester United game this coming season, and one option is our Match Credits, which have proven to be extremely popular in the past.

You buy multiple tickets in one transaction, and then use them at will across the season, for just you, you and a friend, or a group coming to one game with you.

WHAT ARE MATCH CREDITS?

Match Credits are available to purchase via www.colutickets.com in multiples of five games (5, 10 and 25). These credits are then kept on your account until such time that you decide to redeem them against a game you'd like to attend.

HOW MUCH WILL THEY COST?

Season Tickets will always represent the best value for attending games and prices can be found elsewhere in this brochure.

However, the more credits you buy in one transaction, the cheaper they will be and Match Credits will represent a significant saving on matchday prices. A full price table can be found on the club website. A credit is valid for one seat in a Football League fixture.

HOW DO I REDEEM MY CREDITS?

Credits can be redeemed via www.colutickets.com and can be used against the game(s) of your

choice when you're ready to buy. Games go on sale online at colutickets.com over five weeks before the game is scheduled to be played.

DO THEY GUARANTEE ME MY SEAT?

No – you will only be able to select your seat when you redeem your credit(s) against a particular match. However, you can redeem your credits at a time that suits you and for as many games as you wish at any given time.

I WANT TO BRING A FRIEND WITH MY CREDITS – CAN I?

Yes! Should you wish to use multiple credits against one fixture, then you are able to do so. Simply select the seats you would like to buy and redeem the relevant number of credits.

WHAT IF I WANT TO BUY MORE CREDITS?

Credits are always available to purchase in

multiples of five games. Simply follow the instructions to add additional credits to your account.

HOW LONG DO THEY LAST?

Match Credits are valid for twelve months from the point that the first credit is redeemed.

More details regarding Match Credits can be found on the club website, www.cu-fc.com under the Tickets section.

MATCH TICKETS

In 2023/24, we will continue to offer Early Bird pricing for matchdays, meaning the earlier you commit to come and watch the U's, the bigger the savings you will make.

Season Tickets and Monthly Payments provide two great ways to get fantastic value for your seat but, if you're only able to commit match to match, there are still significant savings to be made, including the Match Credits offer.

If you want to just buy individual matches at different points during the season, you can do that too. Tickets will be available to purchase online over five weeks in advance to get the best Early Bird rate.

There are a series of increases up to matchday but the earlier you buy, the more you'll save – up to 30%!
